

Manual tester (Student job)

Asseco SEE is a worldwide recognized SW vendor in the **Banking and Payment** market. Following market demands, we are constantly enhancing our product and service portfolio. We are onboarding a new SQA Application Tester to our agile Mobile Delivery team.

Why is the job exciting? As a Software Quality Assurance Engineer you will:

- Work in a young and dynamic team that focuses on successful realization of mobile banking applications with high level of quality and customer satisfaction
- Work with one of the biggest banking groups in Europe
- Work in an extremely friendly team, always willing to lend a helping-hand

Main Accountabilities:

- Collaboration with Software Engineers to drive improvements in code quality via manual testing
- Writing and executing manual test cases across iOS and Android platforms to ensure delivery of high-quality product releases
- Identifying and reporting bugs to technical and non-technical colleagues for software quality improvement
- Validating bug fixes
- Analyzing product documentation and design screens to ensure that new features have been implemented according to requirements

We are looking for someone who has:

Technical Skills

- Bachelor or Master Degree student in Computer science, Information Technologies or related field
- Interest in Mobile development area, with an emphasis on QA
- Native or bilingual Croatian, advanced level of English language
- Experience with JIRA and Confluence is a plus

Skills and Competencies

- Attention to detail and accuracy
- Solid analytical skills and ability to understand complex problems
- Ability to work as a member of a team that may include remote peers
- Proactive, enthusiastic, flexible and results driven individual
- Strong orientation towards customers, focus on identifying and exceeding their needs
- Good written and oral communication skills with the ability to communicate clearly and effectively with IT colleagues as well as non-technical users

What do we offer:

- Flexible working hours

- Remote work options
- Opportunity to gain new knowledge and skills
- Mentorship program
- Possibility of employment after graduation
- Team building events
- Refreshments in the office

How to Apply:

Please send your resume, brief cover letter and any relevant portfolio links to ivona.smijulj@asseco-see.hr with "Manual Tester Application" as the subject. We look forward to your application!
